**SHAMSEC Website & Data Warehouse**

## Shareholders & Management Team

A group of professionals having diverse experience in Engineering and Construction, Finance, HR and IT with leading organizations in Saudi Arabia such as Saudi Aramco, Saudi Electricity Company, King Abdullah University of Science and Technology, King Fahd University of Petroleum and Minerals and Colorado School of Mines. **SHAMSEC** distinguished team are aspiring to develop a project that will benefit directly the Saudi Economy and allow the major players in the construction industry to make the right decisions on the right time.

## SHAMSEC Offers an Unrivalled Resource of Essential Information in One Place

“SHAMSEC website will enable our suppliers and manufacturers to list their products, specifications and up-to-date prices to be reflected on our clients RFQ”

This will provide the suppliers with FREE exposure to our customers, and will enable them to receive automatic RFQ through the SHAMSEC website. Suppliers will be able to add their products in our standardized catalog which will be accessible to unlimited number of customers searching for building materials. Our customers can review the products; compare specifications and prices, and shortlist to do their analysis and eventually to make procurement decisions.

Supplier will be able to monitor the needs and desires of our customers who searched for their products. As a result supplier may adjust their marketing plans to fulfill the market requirements.

“No Other Online Business Intelligence Service Provides the Quantity and Quality of Content Focused on the Construction Industry”

## KAUST Seed Fund Program 3rd Round

King Abdullah University of Science and Technology (KAUST) Seed Fund Program has a mission to promote the economic competitiveness of Saudi Arabia by investing into technological innovations that lead to the establishment of enterprises.

KAUST Seed Fund Program aims to stimulate new business formation while leveraging on KAUST world-class infrastructure and a wealth of in-house expertise.

KAUST Seed Fund Program also provides a host of administrative support services that include accounting, IP, legal, Human Resources, purchasing, visa and payroll processing.

SHAMSEC was shortlisted to proceed to the “Proposal Stage” which is few steps from granting up to \$250,000 seed funding
